This page is dedicated in loving memory of Mrs. Myrtle Laird. Mrs. Laird had taught for the KCISD since 1977. She was tragically killed in an automobile accident on March 9, 1983. We will all miss her.

The annual staff and I would like to express our gratitude for those of you who purchased this year's annual. We had a lot of fun putting it together and we hope you enjoy it as much as we have enjoyed bringing it to you. There are some new ideas introduced in here that we hope you'll like, but in order for the new one to fit, we had to do away with some of our old features. It is our hope, that you will enjoy the new ones so much that you'll hardly miss the ones we had to delete. Your suggestions and most certainly, your compliments, are always appreciated.

Thanks a lot,

Shaun Price

P.S. We, the Wildcat Staff, wish to give a special thanks to Mrs. Sherry Tracy, our advisor, for all the dedication and support that she's provided over the past year. She has put up with a lot, and if anyone deserves credit for a successful yearbook, she does.

Autographs

To one of my best friends.
You are very nice and kind.
Thanks for everthing!! ☆
